

MONASH UNIVERSITY

SCHOOL HOLIDAY CAMPUS TOURS

We're providing a great opportunity for future students and parents to explore the campuses during school holidays. These tours give visitors the opportunity to meet a current Monash student and take a general tour of the campus.

Those who are interested can also visit Monash Residential Services. Tours are offered at Caulfield, Clayton and Peninsula. Bookings are essential.

START A FREE ONLINE COURSE IN MARCH

We have two of our popular Psychology courses start

ing on 18 March:

- [The Psychology of Personality:](#) Personality makes us individual, but what influences the development of our personality?
- [The Psychology of Sensation & Perception:](#) How do our senses work together to help us understand the world around us?

Monash short online courses are offered for free through the [FutureLearn platform](#).
